Professional
Experience 2
– Master of Teaching
(Secondary)

Placement Expectations and requirements

Required days: 20 days full time
Required setting: Years 7-12 Secondary Setting

Overview

Practicum EDU80051 is the **second** practicum in the Master of Teaching (Secondary) course. To satisfactorily complete this practicum, Pre-Service Teachers (PSTs) must be assessed against a selection of the Australian Professional Standards for Teachers at Graduate stage (found at the end of this document).

The role of the Supervising Teacher in the professional setting is crucial to both the University and the PSTs in facilitating and supporting professional experience. We acknowledge and appreciate the significant time devoted to this task by Supervising Teachers. We hope that the information contained in this document clarifies and assists in defining this role so that this experience is rewarding for all parties.

*It is important to note that these are **MINIMUM** expectations and PSTs may be required to complete additional tasks or higher teaching loads at the discretion of the supervising teacher.*

Placement Information for the PST

Preparation / prior to placement:

- Communicate prior to the commencement of placement.
- Discuss arrival time and dates.

Prepare to discuss expectations:

- Read the Swinburne Professional Experience Handbook.
- Familiarise yourself with the AITSL standards assessed in the Professional Experience Report.
- Pre-Service Teachers (PSTs) develop and maintain a neat and organised professional experience folder.
- Pre-Service Teachers (PSTs) maintain an attendance diary and complete a minimum of 7.5 hours per day excluding breaks.

Arrange a plan for week 1 including:

- Complete a school induction.
- Pre-Service Teachers (PSTs) familiarise themselves with the school's policies and procedures.
- Supervising Teacher and PST to review all the Professional Experience Report prior to commencing professional experience.

The Pre-Service Teacher (PST) should ideally be placed in classes that reflect their Specialist Teaching Area/s (STA).

- Encourage the Pre-Service Teacher (PST) to identify and, where appropriate, implement strategies for teaching students from diverse cultural backgrounds, including Aboriginal and Torres Strait Islander students. This can be hypothetical if these students are not represented in the class.

At all times:

- Understand and uphold the expectations for professional conduct (e.g. being punctual, dressing appropriately, etc.)
- Establish and maintain professional relationships with students, staff and parents/carers.
- Actively participate in all aspects of school life when appropriate (e.g. extra-curricular activities, staff meetings, level meetings, yard duty, etc.)
- Demonstrate initiative by asking for opportunities to assist where possible.

Teaching practice

The Pre-Service Teacher (PST) is expected to:

- Use the Swinburne lesson planning template provided for all lesson planning and negotiate a time for the Supervising Teacher to review and provide feedback.
- Establish clear learning goals throughout the professional experience.
- Observe modelling and explanation of techniques and strategies for teaching.
- Increase responsibility for teaching as the professional experience progresses.
- Initiate and engage in professional discussions with the Supervising Teacher about the interconnected relationship between curriculum, planning and assessment.
- Collaborate with Supervising Teacher on planning and assessment.
- Discuss classroom management and teaching strategies with the Supervising Teacher, and trial and embed these throughout the placement.
- Reflect on their practice and ask the Supervising Teacher for feedback about all aspects of their teaching practice and be open and willing to receive feedback constructively.
- Provide feedback to students.
- Where possible, seek out opportunities for professional development
- Use a variety of strategies to cater for individual student needs.
- Obtain a copy of the Interim Report and Final Report for their records.

This includes conducting themselves in a way that reflects the education sector and the expectations of students within Swinburne Online, both inside and outside the placement school.
- Pre-Service Teachers (PSTs) must use feedback from the Supervising Teacher to improve their practice. Feedback should not be dismissed, as the Supervising Teacher supports the development of teaching practice. The Supervising Teacher is responsible for observing PST practice, ensuring that minimum expectations are met, and reporting any breaches of the codes of conduct that PSTs are required to maintain.
- Pre-Service Teachers (PSTs) are expected to conduct themselves in line with the Swinburne Student Charter and the Victorian Teaching Profession's Code of Conduct and Code of Ethics. PSTs must also understand mandatory reporting requirements and Child Safe Standards.

Difficulties during placement

If you experience difficulties during placement, the **first** person you should speak to is the person involved. If the issue is with the Supervising Teacher, then you should talk to them first. You may contact your Unit Convenor (UC) or Online Learning Advisor (OLA) for further guidance if you are unable to resolve the issue. It is important that any issues are addressed in a timely manner; do not wait until your final day of placement. Conflict commonly arises when there is miscommunication and can often be resolved through discussing concerns with the person involved honestly and openly.

Illness during placement

If you are ill at any time during your placement, you must notify the Student Advisors, Online Learning Advisor (OLA) and your placement school before the school day commences. You

Professional Experience Reports

All Professional Experience Interim and Final Reports must be completed in collaboration with the Pre-Service Teacher (PST) and submitted via email to the PST's OLA. We place great faith in the Supervising Teacher's professional judgement and request an honest assessment of the Pre-Service Teacher's progress and final assessment. Considering the level expected for the particular professional experience, Supervising Teachers and nominated supervisors are asked to make a professional judgement and assess the overall performance of the Pre-Service Teacher (PST). In order to satisfactorily complete this practicum, the Pre-Service Teacher is required to meet the relevant Australian Professional Standards for Teachers at Graduate stage (AITSL, 2014).

Supervising Teachers should apply professional judgements using evidence of the PST's demonstrated knowledge, practice, and engagement in relation to the expected APST descriptors for the stage. Consideration should be given for the placement context and opportunities to encounter relevant experiences enabling the PST to demonstrate the APST. The Australian Professional Standards for Teachers are grouped into 5 sections: Section 1: Planning for learning and teaching, Section 2: Teaching Effectively, Section 3: Creating and Maintaining Supportive Learning Environments, Section 4: Assessing and Providing Feedback for Learning, Section 5: Demonstrating Professional and Ethical Conduct. The Day 10 Interim Report and the Final Report will assess the PST's progress against the 5 APST Standard Sections.

In the Interim Report PSTs can be assessed as:

- SP – Satisfactory Progress (The student is making satisfactory progress at the level indicated)
- WT – Working Towards (The student is working towards satisfactory progress at the level indicated or has not yet had a suitable opportunity to demonstrate competence in this APST Section. In either case, the PST may require additional support for this APST Section in the second half of the placement)
- CC – Cause for Concern (The student is not making satisfactory progress at the level indicated. The PST will require additional support in this APST Section in the second half of the placement and a Support Plan must be submitted with the Interim Report)

In the Final Report PSTs can be assessed as:

- E - Exceeds (APST descriptor has been met above expectation)
- M – Met (APST descriptor has been met)
- NM – Not Met (APST descriptor has not been met) *Please note: If a Pre-service Teacher is awarded a NM for
- any of the standards, they must receive an "UNSATISFACTORY"
- NE – Not Encountered (No opportunity to meet the APST descriptor). *Please note: Before providing a NE, please consider a supportive reflective discussion about the APST focus area with the PST that will allow the PST to demonstrate their understanding of the APST. This discussion will validate a Met (M) result for the APST focus area.
